The 3M Xtract™ Tool Warranty & Servicing Program

WARRANTY

TWO year 3M Tool Warranty Program build for your peace of mind.

The new 3M Xtract™ tools are made to last and perform day-in and day-out. In the rare event of a faulty 3M Xtract™ tool during the first two years after purchase, our Tool Warranty Program enables minimal down time so you can go back to sanding as quickly as possible.

Just contact the reseller from whom you purchased the tool, send them the faulty item, a valid proof of purchase and a description of the defect for the warranty claim to be validated.

Once validated, the reseller will replace the faulty item with a brand new tool—possibly the same day depending on availability of the tool you require.

Warranty and Limited Remedy: 3M warrants this tool against defects in workmanship and materials under normal operating conditions for one (1) year from the date of purchase. 3M MAKES NO OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTY OR CONDITION OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE OR ARISING OUT OF A COURSE OF DEALING, CUSTOM OR USAGE OF TRADE.

Limitation of Liability: Except for the limited remedy stated above, and except to the extent prohibited by law, 3M will not be liable for any loss or damage arising from or related to the 3M product, whether direct, indirect, special, incidental, or consequential (including, but not limited to, lost profits or business opportunity), regardless of the legal or equitable theory asserted, including, but not limited to, warranty, contract, negligence, or strict liability.

SERVICING

A 3M Tool Servicing Program to extend your peace of mind.

Like any mechanical device, a thorough service can get the tools back to their prime—sanding just like day one.

Maintenance fro 3M Xtract™ Tools is made possible by using a network of Authorized Service Centers (ASC), present in most countries across Europe and the Middle East.

You have the choice of working with our ASC network directly or alternatively work through a 3M Xtract™ resellers able to handle the logistics and invoicing to and from the ASC on your behalf.

Our ASC network is committed to minimum down time for their 3M Xtract™ clients.

Submitting a Warranty Claim: Contact your dealer when submitting a warranty claim in accordance with the restrictions listed above. Please note that all warranty claims are subject to manufacturer's approval. Be sure to keep your sales receipt in a safe place. This must be submitted when filing a warranty claim, within 1 year from the date of purchase.

Product Repair after Warranty Has Expired: Repair of 3M Abrasive Power Tools that are not under warranty is available through 3M or 3M Authorized Tool Repair Representative. Contact your local 3M office.

Service: Have your power tool serviced by a qualified repair person using only identical replacement parts. This will ensure that the safety of the power tool is maintained.

Read all instructions within manual before using. All operators must be fully trained in tool usage and be aware of these safety rules.
